
CLINICAL LABORATORY SCIENCE

SPRING 2017

Volume 30/Number 2

Focus: Sexually Transmitted Diseases

JOURNAL OF THE AMERICAN SOCIETY FOR CLINICAL LABORATORY SCIENCE

ASCLS Mission/Vision Statement

The American Society for Clinical Laboratory Science serves as the voice of all clinical laboratory professionals, creating a vision for the advancement of the clinical laboratory practice field, and advocating the value and role of the profession ensuring safe, effective, efficient, equitable, and patient centered healthcare.

AMERICAN SOCIETY FOR CLINICAL LABORATORY SCIENCE

1861 International Drive, Suite 200
McLean, VA 22102

ASCLS Core Values

Core Values include enhancing quality standards and patient safety; providing professional development opportunities; promoting expanded roles and contributions of clinical laboratory professionals to the healthcare team; increasing the diversity in the profession; and expanding the voice and role of under-represented individuals and groups.

ASCLS MEMBER EDITORS

Editor-in-Chief

Perry Scanlan, PhD, MT(ASCP)
Medical Laboratory Science
Austin Peay State University
Department of Allied Health Sciences
Room D212, Sundquist Science Complex
Box 4668
Clarksville TN 37044

Research and Reports Editor

Maribeth L. Flaws, PhD, SM(ASCP)SI
Associate Chairman and Associate Professor
Department of Medical Laboratory Science
Rush University Medical Center
600 S Paulina Suite 1018A
Chicago IL 60612
Maribeth_L_Flaws@rush.edu

Education Editor

Connie R. Mahon, M.S.
Medical Laboratory Sciences
Clinical Research and Leadership Department
School of Medicine and Health Sciences
The George Washington University
crmahon@aol.com or crmahon@gwu.edu
703-278-0563

Consulting Editor Coordinator

Mary Ann McLane, PhD, MLS(ASCP)
Professor, Medical Laboratory Sciences
University of Delaware
Medical Laboratory Sciences
305G Willard Hall Educ Bld
Newark, DE 19716
302-831-8737
mclane@udel.edu

Consulting Editors

Hassan Aziz, Doha, Qatar
George Fritsma, Birmingham, AL
Peter Hu/Houston TX
Deborah Josko/Newark NJ

Send requests to ASCLS Periodical postage paid at Bethesda, MD and other additional mailing offices.

headquarters. Annual membership dues of ASCLS are \$99, \$40 of which is allocated to a subscription of CLS.

Advertising for CLS is accepted in accordance with the advertising policy of the ASCLS. Contact the CLS advertising representative at (571) 748-3770.

Manuscript Submissions: To encourage consistency in style, refer to guidelines in Scientific Style and Format – The Council of Science Editors Manual for Authors, Editors, and Publishers, 2006.

Detailed instructions for authors are available on the ASCLS web site. Contact the CLS Editorial Office for more information.

All articles published represent the opinions of the authors and do not reflect the official policy of ASCLS or the authors' institutions unless specified.

CERTIFICATION MAINTENANCE CONTINUING EDUCATION OPTIONS

ASCLS can help with your recertification needs

ASCLS and MediaLab are proud to offer the Certification Maintenance - 12 hour option (CM12). The CM12 is a one year subscription with MediaLab, Inc. that includes designated discipline hours required for the Board of Certification (BOC) Certification Maintenance Program (CMP). With the CM12, each person will receive 12 hours of P.A.C.E.® approved online continuing education to be completed at any time before the end of the subscription year (July 31st).

The CM12 subscription year follows the same cycle as the ASCLS membership year. When you renew your ASCLS membership, renew or purchase your CM12 subscription too. Maintaining your required continuing education hours has never been so easy. This special offer is available to ASCLS members for only \$45!

The 2017-2018 subscription includes the following courses:

DISCIPLINE	COURSE	CE CREDIT HOURS
Chemistry/Immunology	Autoimmune Diseases and Antinuclear Antibody Testing: Methods and Staining Patterns	2.5
	Drug Metabolism	2.0
Blood Banking/Transfusion Medicine	Current Good Manufacturing Practices for Transfusion Services	2.0
Safety/Laboratory management	Risk Management in the Clinical Laboratory	1.0
Hematology	Hematopoietic Stem Cell Transplantation	1.5
Microbiology/Molecular Methods	Drug-Resistant Superbugs, Multi-Drug Resistant Organisms: MRSA, VRE, Clostridium difficile, and CRE	2.5
	PCR Fundamentals: Focus on Multiplex PCR Assay and the Advantages over Singleplex Assays	1.5

For more information, please visit www.ascls.org/CM12
